Benefits of Membership

The main benefit of membership is to have a voice in changes made within the system by Government Departments that affect the industry.

Information exchange from others within the industry could assist in improvements in your own business, including regular updates and changes in legislation.

Access to a dedicated group of people concerned with improving the image and esteem of driver trainers within the public and Government arenas.

Building a closer working relationship with others in the industry where your ideas and concerns are heard and fought for.
